**Improve health for everyone**

- LIVESTRONG at the YMCA helped 58 cancer survivors reclaim health
- 140 adults in special services such as REM and CIRSI were able to access Y facilities and services
- 162 adults participated in programs that would have otherwise not been accessible to them

**Strengthen families and develop future leaders**

- More than 250 kids were able to participate in youth programs such as sports, swim lessons and afterschool
- Woodbury Elementary Fit Kids program provided 65 kids with a safe place to learn & grow after school

**A safe place for children to grow**

- Through referrals from Marshalltown Community Schools, 143 school youth memberships were provided to young people in the community
- 114 kids from Lenihan Intermediate School participated in Teach them To Swim and learned critical skills for being safe around water

**Overall, more than 2,700 people were impacted through the 2016 Annual Campaign!**

**Here's what some of our participants had to say...**

"Thank you so much for your help. I appreciate this opportunity that will change my life."

"LIVESTRONG has helped me socially, emotionally and strengthened me. After having cancer twice, this has given me the boost I needed to live a better life."

"I'd just like to give a very big thanks to you for making this opportunity possible for me. I will make good use of my membership and will continue to be grateful to be part of the Y community."

"I plan to use this membership not only to exercise but to meet new people who come over to the Y. Thank you for everything—words cannot describe how grateful I am."
