# CARDIO AND STRENGTH JUST ADD WATER

## 2018 Summer Aquatic Fitness MARSHALLTOWN YMCA-YWCA

### Aquatic Class Guidelines

- No pre-registration for Aquatic Fitness; participants need a "Class Pass" to attend
- Swim suits required at all times. Aquatic footwear may be worn during classes.
- Each class is very easily adjusted for individual comfort and ability level
- Youth ages 10-13 along with a parent/guardian and a class pass may attend following a Parent/Child Fitness Orientation.

## 2018 Summer Aquatic Fitness MARSHALLTOWN YMCA-YWCA

### AQUA AEROBICS

**CLASS FOCUS:** Moderate cardio, moderate toning  
Improve cardiovascular endurance, muscle strength/tone and flexibility with water weights and a variety of easy to learn exercises with no impact.

### AQUA-LATES

**CLASS FOCUS:** Core toning, no cardio, breathing and posture  
Combines the resistance of water with core-toning properties of Pilates to strengthen abs, enhance energy, and improve posture.

### AQUA ZUMBA®

**CLASS FOCUS:** Strong Cardio, Strong toning  
This class blends the Zumba formula and philosophy with traditional aqua fitness disciplines together into a safe, challenging, workout that's cardio-conditioning, body-toning, and tons of fun!

### DEEP WATER AEROBICS

**CLASS FOCUS:** Moderate cardio, strong toning  
Vigorous, higher intensity water work out that uses floatation aids for buoyancy and water weights for added resistance.

### MOVE AND STRETCH

**CLASS FOCUS:** Range of motion, Slight cardio, gentle toning  
This class includes water walking, stretching, resistance boards, and balance exercises, perfect for those suffering from fibromyalgia or similar conditions.

### RUSTY HINGES

**CLASS FOCUS:** Range of motion, no cardio, gentle toning  
Class is taught by instructors that follow guidelines set forth by the Arthritis Foundation. This low impact gentle program is designed to help relieve pain and stiffness caused by arthritis, multiple sclerosis, or post operative rehabilitation from surgery.

### SENIOR AQUA

**CLASS FOCUS:** Mild cardio, moderate toning  
Participants will enjoy a mild aerobic workout combined with muscle strengthening and flexibility. Class is 30 minutes of organized group exercise and 15 minutes of toning.

### VORTEX WATER POWER

**CLASS FOCUS:** Strong cardio, strong toning  
A high intensity water workout that focuses on cardiovascular training. Uses the currents of the slide's catch pool for increased endurance, muscle toning, flexibility, and coordination.

### ADAPTIVE AEROBICS

**CLASS FOCUS:** Slight cardio, Range of motion  
This is a free class for those who have special needs and are able to participate in a health and fitness program. Aerobics, toning, and flexibility are offered in a welcoming environment with an experienced instructor. No prior experience or swim ability required.

### AQUA BODY STRONG

**CLASS FOCUS:** balance, strength, endurance, flexibility  
AquaBodyStrong Yoga Fusion is a balance and strength based water-fitness class that uses inflatable, tethered AquaBodyStrong boards for a total body, core strengthening workout for all fitness levels. This training modality challenges the body to maintain proper postural control and alignment while moving through a series of transitional movements on an unsteady surface increasing balance, strength, endurance, flexibility and focus.
