“Our family supports the Marshalltown YMCA-YWCA with the same passion that YMCA-YWCA supports the Marshalltown community. Every age group, every ethnicity, and every gender has a home at the Y. To us, it is so much more than just a building that you can exercise in. It really represents what is so amazing about this community we call home. People from all walks of life get to experience a place that provides unwavering encouragement and guidance for a better tomorrow. We are so incredibly blessed to have been members of the Marshalltown YMCA-YWCA throughout the years and are honored to be involved in continuing to support the mission they live out every day.”

WHAT IS THE ANNUAL CAMPAIGN?

The Annual Campaign is a fundraising effort that supports financial assistance and subsidized programming. It ensures that all youth, adults and families can participate in Y membership and programs, regardless of their ability to pay.

This pandemic has had a financial impact on many in our community, and the Y is no exception. We've suffered significant economic loss and setbacks due to suspending Y operations and delivering limited services. Nevertheless, our Y has spearheaded efforts to support our community and those on the front lines of the pandemic.

Now more than ever, Central Iowa needs the Y to be strong, well positioned to respond to a crisis, focused on the community's needs and ready to move forward into the future. Help keep the Y strong with your gift to the Annual Campaign.

COMMUNITY NEEDS AND THE IMPACT ANNUAL CAMPAIGN MAKES

Caring for Families: The Y's Licensed Child Care Program provides safe, quality care and enrichment for children while their parents work.

Supporting Youth Development: The Y provides a safe place for young people from diverse backgrounds to grow through youth membership.

Promoting Safety Around Water: With the support of community partners, the Y's Teach Them to Swim Program is offered free of charge to families with a financial need.

Providing Support in a Time of Need: The Y has spearheaded efforts to support our community in times of need.

Providing Specialized Programming: Rock Steady Boxing helps people with Parkinson's improve their balance and strength.
