2022 SUMMER DAY CAMP at the Marshalltown YMCA-YWCA

READY, SET, SUMMER! Camping, like many Y programs, is about learning skills, developing character and making friends. But few environments are as special as camp, where kids become a community as they learn both how to be more independent and how to contribute to a group as they engage in physical, social and educational activities. Camping teaches self-reliance, a love for nature and the outdoors and the development of attitudes and practices that build character and leadership—all amidst the fun of STEM activities, talent shows and meaningful relationships. Y counselors are dedicated to making sure camp is an amazing experience for every camper.
